

# THE I.P.E.<sup>®</sup>

## Electromagnetic Polarity Inverter

The I.P.E.<sup>®</sup> comes with a **30-year manufacturer's guarantee** (device only), valid from the date of purchase. The mains adaptor is **guaranteed for 2 years**. The unit poses no risk to health.

This guarantee is considered void if:

- The unit has been opened and/or a seal is broken.
- There is visible impact damage to the casing.
- The device was installed without due regard for existing electrical standards, or without following the installation instructions provided.
- The device has been damaged by a power surge caused by a lightning strike or by the mains electricity supply.
